

the 11th International Conference on Information Communication and Applications

Chongqing University of Posts and Telecommunications, China | June 24-26, 2022

The 11th International Conference on Intelligent Computing and Applications (ICICA 2022) is the premier forum for the presentation of technological advances and research results in the fields of Intelligent Computing and Applications. ICICA 2022 will bring together leading engineers and scientists in Intelligent Computing and Applications from around the world.

We are pleased to invite you to attend ICICA 2022 (<http://www.icica.org/>), which will be held at Chongqing University of Posts and Telecommunications, China during June 24-26, 2022. ICICA 2022 is sponsored by Chongqing University of Posts and Telecommunications, China, and co-sponsored by University of Wollongong, Australia.

Due to the uncertainty of COVID-19 situation, online presentation / online attendance will be considered (with discounted registration fee) if physical presentation is not feasible at the time of the conference.
