

# ICICA 2026 Aug. 27-29 Cambridge, UK

The 15th International Conference on Information Communication and Applications (ICICA 2026) will be held in University of Cambridge, Cambridge, UK during August 27-29, 2026.

Information Communication and Applications is a field that explores how information and communication technologies can be effectively integrated and applied across various domains to solve problems and improve efficiency. It encompasses the development and utilization of systems for managing, transmitting, and securing data, and extends to practical applications in business, healthcare, education, and entertainment. By combining insights from multiple disciplines, Information Communication and Applications aims to harness technological innovations to enhance connectivity, streamline processes, and drive progress in diverse areas of modern life.

We are expecting exciting conference programs with great scholars and researchers from different countries around the world, sharing new and stimulating innovations in information science and systems. We look forward to welcoming you at ICICA 2026 in University of Cambridge, Cambridge, UK!

## CALL FOR PAPER

### Track 1: Networking and Communication Technologies

- Computer Networks
- Computer Networks and Data Communication
- Wireless Communication and Mobile Computing
- Wireless Sensor Networks
- Data Communications
- Mobile Computing
- Internet and Web Applications

### Track 2: Software and Programming

- Automated Software Engineering
- Compilers and Interpreters
- Programming Languages
- Software Engineering & CASE
- Event Driven Programming

### Track 3: Data - Driven and Computational Sciences

- Algorithms
- High Performance Computing
- Parallel and Distributed Computing
- Distributed and Parallel Processing
- Distributed Systems
- Reconfigurable Computing Systems
- Data Compression
- Data Mining
- Database Systems
- Digital Library
- Knowledge Data Engineering
- Information Retrieval
- Performance Evaluation
- Computational Intelligence
- Theoretical Computer Science

### Track 4: Multimedia, Vision, and Graphics

- Computer Animation
- Computer Graphics and Multimedia
- Computer Graphics & Virtual Reality
- Multimedia Applications
- Digital Signal and Image Processing
- Image Processing
- Computer Vision

### Track 5: Intelligent Systems, Security, and Cross - Disciplinary Applications

- Artificial Intelligence
- Neural Networks
- Pattern Recognition
- Bioinformatics and Scientific Computing
- Bio - informatics
- Biomedical Engineering
- Data Encryption
- Computer Security
- Security & Cryptography
- System Security
- Expert Systems
- Natural Language Processing
- Robotics and Automation
- E - commerce and E - governance
- Computing Ethics
- Technology in Education
- Computer Based Education
- Human Computer Interaction
- Computing Practices & Applications
- Ubiquitous Computing
- Computer Modeling
- Computer Simulation
- Computer - aided Design/Manufacturing
- Technology Management
- Control Systems

## SUBMISSION

### Submission Requirements

- Full Paper (Presentation and Publication)

The full paper should be no less than 8 full pages.

- Abstract (Presentation only)

We encourage you to send informative abstract (200-400 words) which is a compendious summary of a paper's substance including its background, purpose, methodology, results, and conclusion.

- Please download the [full paper template](#) or [abstract template](#) and follow the format carefully.
- Your submission should be in English.
- Please fill in author background form in the template.

### Submission Method

1. Submit your full paper or abstract directly to Electronic Submission System: <http://confsys.iconf.org/submission/icica2026>
2. Submit your full paper or abstract to email box: [icica\\_contact@yeah.net](mailto:icica_contact@yeah.net)

## IMPORTANT DATES

- **Submission Deadline: March 25, 2026**
- Notification Deadline: April 25, 2026
- Registration Deadline: May 10, 2026

## CONTACT US

- Conference Secretary: Ms. Luna Wu
- Email: [icica\\_contact@yeah.net](mailto:icica_contact@yeah.net)
- Tel: +86-18000547208
- Website: [www.icica.org](http://www.icica.org)
